

LJETNA BLUZA OD RIŠELJE VEZA

UPUTE ZA ISPIS I REZANJE KROJA:

Pri ispisu kroja postavite mjerilo na 100 %. Najprije ispišite prvu stranicu i provjerite veličinu testnog kvadrata, koji mora biti dimenzija 5 × 5 cm.

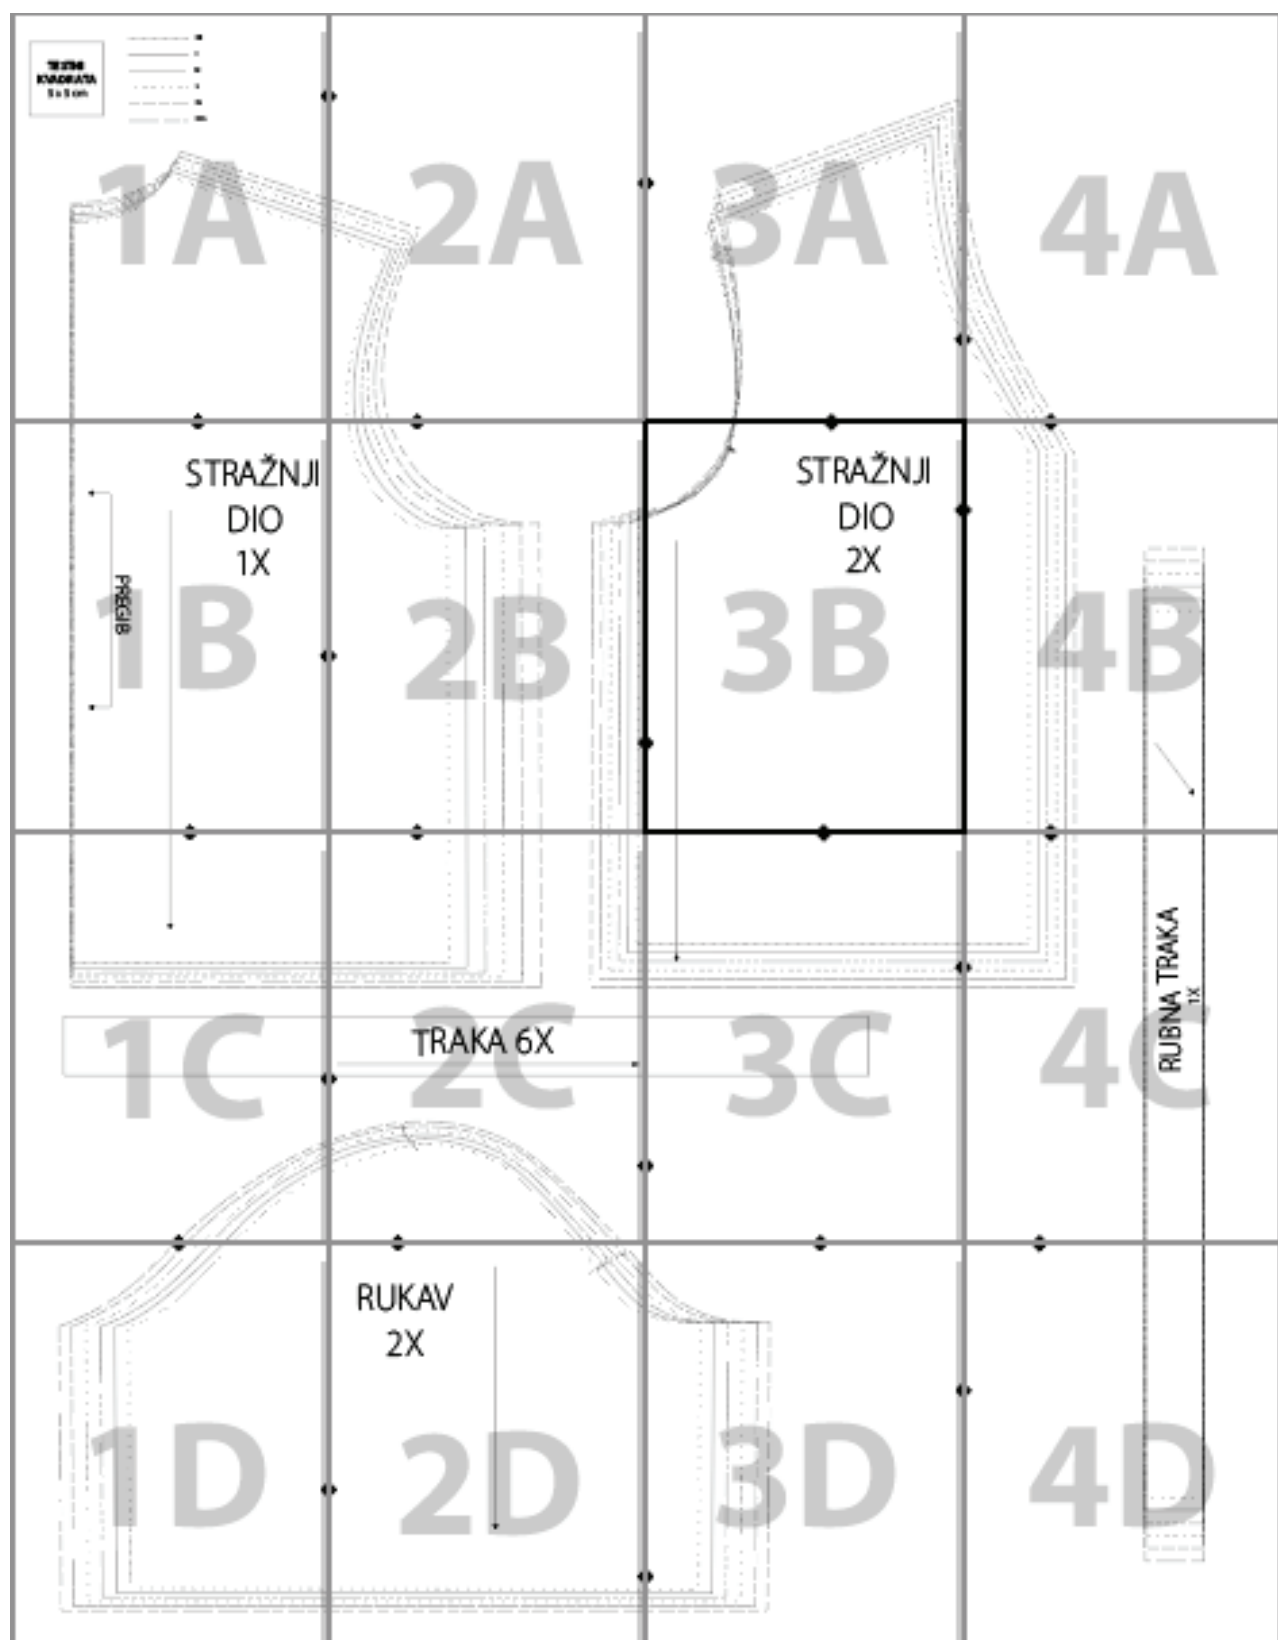

Kada je sve ispravno ispisano, rasporedite listove prema označenom redoslijedu – od 1A do 6A, od 1B do 6B i tako dalje.

Listove zatim zalijepite zajedno i režite po isprekidanoj liniji. Dodatak za šav od 1 cm već je uključen u kroj, stoga ga nije potrebno posebno dodavati.

Pri rezanju tkanine obratite pozornost na broj potrebnih dijelova i oznake dijelova koje je potrebno rezati na pregibu tkanine.

Na taj će način svi dijelovi biti pravilno poravnati, a završni proizvod uredno izrađen.

The background features a complex geometric pattern. At the top, there are several nested L-shaped outlines, some solid and some dashed. A large, light gray '2C' is centered behind the text. Two horizontal lines with arrowheads at their ends cross the center of the image. At the bottom, there are several curved lines, some solid and some dashed, that sweep upwards from the left towards the right. Small black triangles are positioned at the corners of the page.

A large number 4 and an uppercase letter D are shown on a set of handwriting lines. The number 4 is on the left, and the letter D is on the right. The letter D has a vertical stem and a curved bowl. The handwriting lines consist of a solid top line, a dashed middle line, and a solid bottom line. The letter D is positioned such that its stem is on the solid top line and its bowl extends between the dashed middle line and the solid bottom line.
