

# KROJ BARREL HLAČE L - XL

## UPUTE ZA TISKANJE I REZANJE KROJA:

Pri tiskanju kroja postavite mjerilo na 100 %. Najprije isprintajte prvu stranicu i provjerite veličinu testnog kvadrata, koji mora mjeriti 5 × 5 cm.

Kada je sve pravilno isprintano, rasporedite listove prema označenom redosljedju – od 1A do 6A, od 1B do 6B i tako dalje. Listove zatim zalijepite zajedno i režite po isprekidanoj liniji.

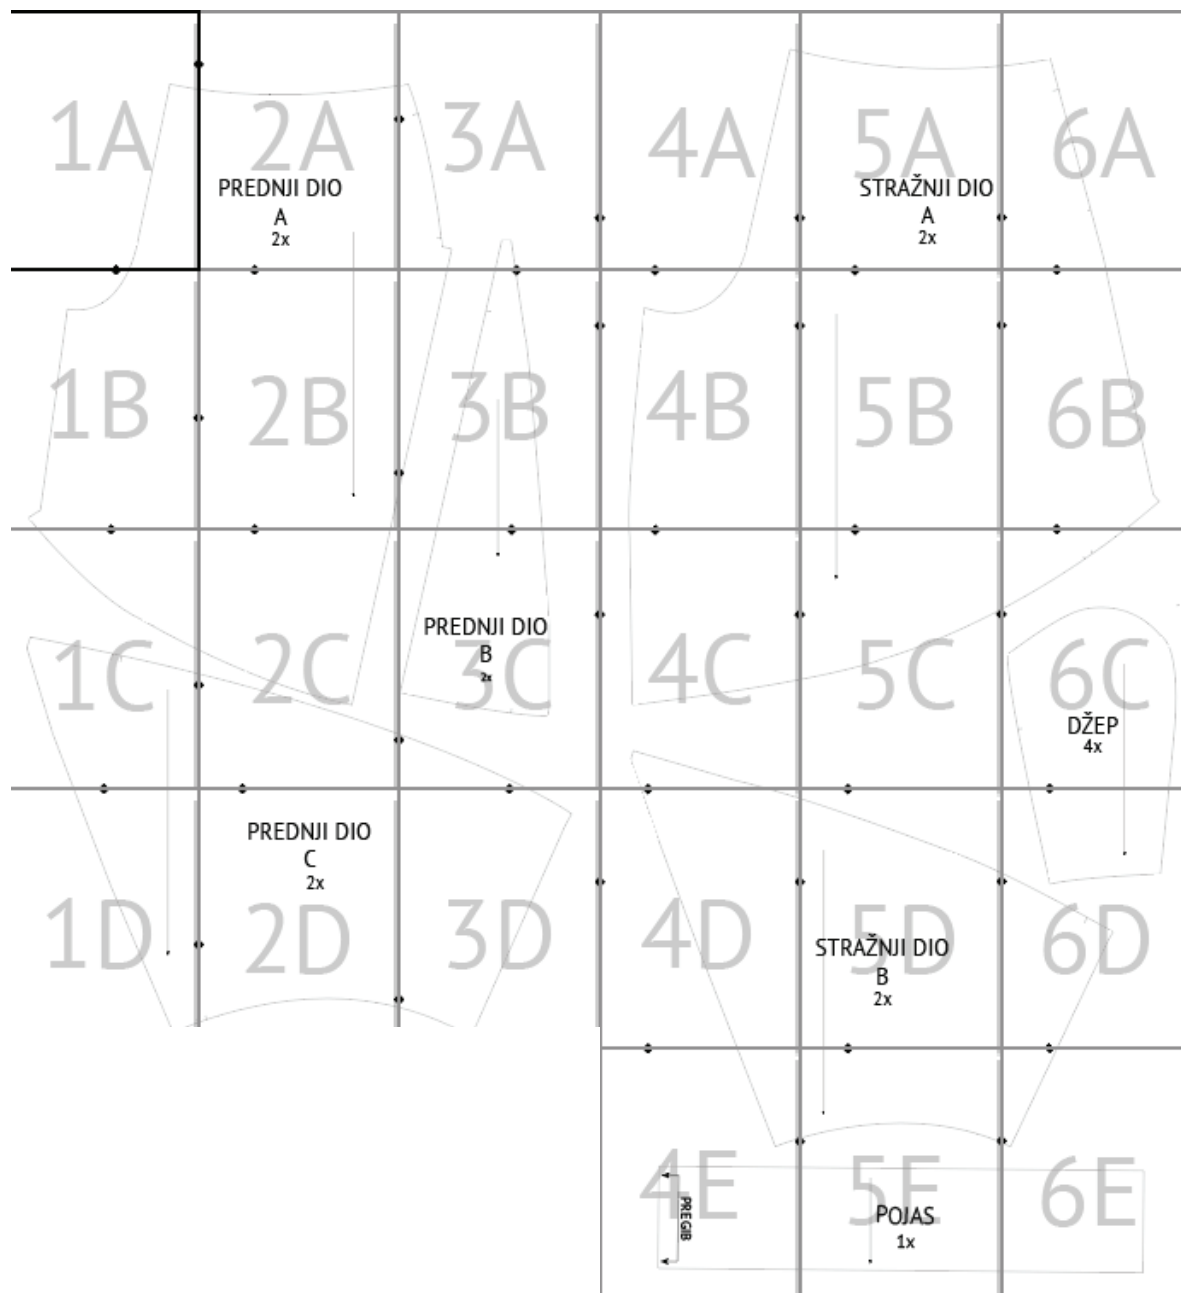

Dodatak za šav od 1 cm već je uključen u kroj, zato ga nije potrebno posebno dodavati.

Pri rezanju tkanine obratite pozornost na broj potrebnih dijelova i oznake dijelova koje je potrebno rezati na pregibu tkanine.

To osigurava da će svi dijelovi biti pravilno poravnati i da će završni proizvod biti lijepo izrađen.

The image shows a technical drawing of a pocket. The pocket is defined by a vertical line on the left, a vertical line on the right, and a horizontal line at the top. The top edge is angled at 60 degrees. A vertical centerline is drawn on the right side of the pocket. The drawing is enclosed in a rectangular frame with a dashed line at the top and bottom. There are also some small black triangles and lines at the corners of the drawing area.

DŽEP

4x

6D

The image features a diagrammatic element at the top consisting of a thin black curved line that starts on the left, dips down, and then rises towards the right. A vertical arrow points downwards from the top center of this curve. Below this, a large, light gray '6D' is centered. The '6' has a rounded top and a circular bottom, while the 'D' is a simple, bold block letter. The background is white with some faint black lines and shapes, including a triangle on the left and a diamond at the bottom.

6E

The image features a diagram in the upper left quadrant consisting of two black arrows pointing towards a central vertex. One arrow originates from the left edge, and the other from the top edge. A thin black line extends from this vertex towards the top right corner. Below this diagram, a large, light gray watermark '6E' is centered horizontally. The '6' is a simple, rounded numeral, and the 'E' is a blocky, sans-serif letter. A thin black horizontal line runs across the middle of the page, passing behind the watermark.
