

ISPIS SKROJA

Kroj ispišite na 100%. Prvo ispišite prvu stranu kroja i izmjerite testni kvadrat, koji treba mjeriti 5 x 5 cm. Ispisanim listom odrežite donji i lijevi rub. Lišće složite redom tako da se crni trokuti podudaraju i zalijepite ih selotejpom ili ljepilom.
